**Sanger's Cross Country boys and girls teams ended a momentous season with the best finish in Sanger High School history. For the first time ever, both varsity teams won District, which was a huge undertaking considering Argyle is one of the top teams in the state every year. In addition, the Junior Varsity girls came in second place and the boys came in first place. Both teams have the ability to beat other districts around the state.**

**At the Regional meet in Arlington, Sanger once again held its own and proudly ended with a third place finish for boys and a second place finish for girls, both qualifying for the State meet. The boys and girls varsity teams heading to the State meet were greeted by the town with a warm send off from businesses and schools. The runners once again showed incredible drive and dedication with the boys placing second in the State and the girls placing sixth. The boys narrowly missed first place by 13 points. Congratulations to all of the runners on such a successful season.**

To the outside world we all grow old. But not to brothers and sisters. We know each other as we always were. We know each other's hearts. We share private family jokes. We remember family feuds and secrets, family griefs and joys. We live outside the touch of time.

*Thank you God, for the daughter we have been blessed with. We knew this day would come but had no idea what the journey would be like to get here. The time it took went by entirely too fast but, the memories made along the way have been priceless. Bailey, you are truly an amazing young lady, the type of child a parent could only dream of having. Words could never express the joy and pride you have given us. You have made our job so easy, thank you. If the accomplishments you hold from the first 18 years of your life are any indication of what you will continue to do in life, then the sky's the limit. Integrity, determination, drive, hard work, dedication, discipline, loyalty and the compassion you hold in your heart for others are all qualities that have come so naturally for you. The one characteristic you possess that we have always admired most is your ability to persevere. Stay true to yourself and never stop loving God, your family, your friends, or your life. given you.  
Love, Your Family

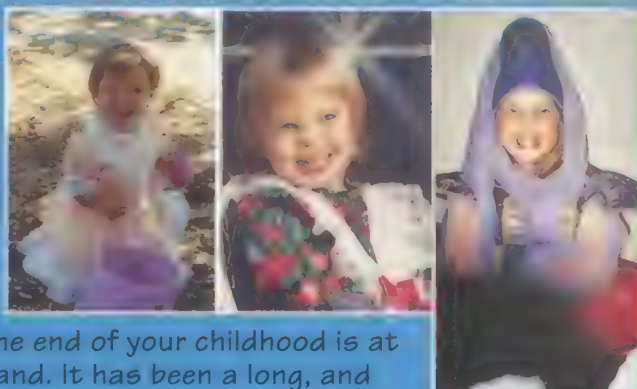

The last 18 years went by so quickly and now you are about to embark on a whole new journey ---- Adulthood. You have been a blessing and a joy to everyone you know, especially to me. You constantly put others before yourself. I'm so proud of the young lady you've become. You have accomplished everything you have put your mind to, and overcome pitfalls others have succumbed to.

Love Daddy  
Micah 6:8 - "He has showed you... what is good. And what does the LORD require of you? To act justly and to love mercy and to walk humbly with your God."

## Tabitha Hart

1 Timothy 4:12 "Don't let anyone look down on you because you are young, but set an example for the believers in speech, in life, in love, in faith, and in purity."

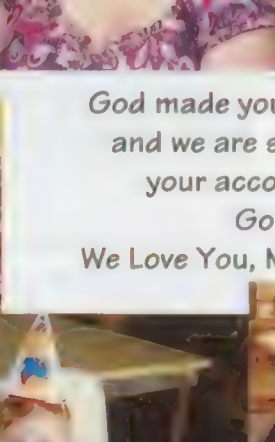

The end of your childhood is at hand. It has been a long, and sometimes rough, journey; but we couldn't be happier than we are now. You have grown to be a beautiful young woman. Thank you for making these years easy on us. We are so proud to call you our daughter. Our love grows amazingly more with each passing year to the beginning of so many more.  
We love you so very much,  
Mom & Dad

God made you especially for us,  
and we are so proud of all of  
your accomplishments.

Go Kelsey!

We Love You, Mom, Dad, & Karley

## Kelsey Bayer

It's hard to believe you're old enough to graduate. You were always such a tiny little thing, running around hiding, and getting into all kinds of mischief. Our surprise gift from God, you were born with a curious mind so use it wisely and it can take you far. If you can imagine it, you can achieve it; if you can dream it, you can become it. We love you always and forever,  
Mom, Dad, and Bethany

 promise of the future.

You are my most prized and beloved treasure and I adore  
 you so. I am very proud of you and I am honored to call  
 you my daughter.
